1. Squash & Badminton Stadium (SBS) is a modern world class sports facility for national and international events in the specific disciplines of Squash and Badminton , created for the Common Wealth Games 2010. Players are to pay the prescribed court fee (including GST ) and get their receipt from the Reception Counter.
9. No player/ visitor will be allowed entry into the play area without furnishing the court fee receipt to security guard/game attendant on duty. In case of Squash , entry into the play area will be restricted to the holders of the fee receipt only, while in the Badminton/Table Tennis the receipt holder along with one partner for single or three more to play doubles will be allowed entry. The receipt holder will not resort to hosting more players and rotate them to accommodate more than the first accompanying singles/ doubles partners in an effort to extract the optimum benefits for the fee paid towards booking the court. Players/ visitors will desist from insisting on entry in absence of the fee receipt or in excess of the numbers allowed to play on the courts.
10. Pay ‘n’ Play facilities will be closed during an organized event/ tournament for which notice will be placed on the Notice Boards.
11. The court fee charges for various disciplines available at the SBS are at **APPENDIX “A”**. These charges are subject to changes as approved by the Competent Authority.

**Fee Charges and Related Issues for Coaching Academies**

12. Those desirous of obtaining coaching in the disciplines mentioned at Paras 1 and 2 above may contact the Reception Counter from where the Games Attendants/ Supervisors will direct them to different Coaching Academies functional in the premises for completing the formalities and subsequent payment of monthly fee at the Reception Counter . The Fee Structure in vogue at each of the Coaching Academies is at

**APPENDIX "B".** Some of the issues that must be borne in mind by players, students in the coaching academies and the Coaching Academy officials are as under:-

- (a) In case any SBS staff member/ coaching personnel seeks additional fee in cash, the same will be reported to the Manager of the Academy and Secretary SBS - specifics must be provided in the complaint.
- (b) In case within the Coaching Academy ,activities are suggestive that "Personal Coaching" is being conducted for a select individual at the cost of the other students , the Coach/ Head Coach/ Manager of the concerned Academy will be held responsible for the irregularity and suitable action as deemed fit by the competent authority will be taken. Provisions of "Personal Coaching" exist and are explained at Para 13 below and by- laws concerning respective discipline.
- (c) Currently the SBS provides coaching facilities for all disciplines for which monthly payments are to be made latest by 10<sup>th</sup> of each month. This does not in any way suggest that a player can avail free coaching facility for the first 10 days of the month. The following rules will be abided by those taking admission in various coaching academies (in addition of rules of the academies) at the SBS: -
- (i) In case an individual fails to pay for availing coaching facilities in first 10 days of the month, a default penalty of Rs 100/- will be charged for each day of delay.
- (ii) Students seeking admission into Coaching Academies after 10th day of the month are advised to do so in the first week of the next month as default setting in software does not allow differentiation between a fresh admission and the late payment defaulters. There is no provision for refund of fee for excess charges even for new admissions.
- (iii) A person already subscribing to coaching and having been absent for good reasons from the scheduled coaching during the first 10 days should also follow the advice at Para (c) (ii) above .
- (c) Parents accompanying their wards for availing coaching facilities will not interfere in the functioning of the concerned coaches. Any objection required to be raised may be channelized to the Academy In-Charge/ Shift-In-Charge and if not addressed to the Secretary, SBS. Some of the issues to be kept in mind by players attending Coaching Classes in various disciplines in respect of depositing their monthly fee are as under: -
- (i) To ensure that correct subscription fee is charged from the student based on the Level of Coaching (Beginner/ Intermediate/ Advance/ Professional may have different fee structure) players are to produce Fee Receipt for the previous Month duly endorsed by the Manager of the Coaching Agency.

- (ii) Fee once paid for a particular level of training or for a sports discipline incorrectly cannot be refunded, hence the children/ their parents must be careful while paying monthly fee at the Reception Counter .
- (iii) Ensure that Fee is paid in time; players are advised not to wait till the “last day allowed” for payment of fee i.e. 10th of the month.
- (iv) Please comply with the requests of the Reception Staff to update data when required.
- (v) In event of the venue being booked for a competition/ tournament, the Coaching Classes will stand suspended for that day(s).
- (vi) The Coaches will brief their students during the “Daily Line Up” on the above aspects preferably for a week OR at least on the last 3-4 days of the month for compliance.

13. Those desirous of bringing private coaches will pay an additional fee of Rs590/ inclusive of the GST plus the applicable court fee for the player and the coach ( in case of Squash) and use the “Pay ‘n’Play” Courts only; they will not interfere in any of the Coaching Academy’s curriculum. Refer by-laws for respective sports .

14. Coaching facilities will be closed during an organized event/ tournament for which notice will be placed on the Notice Boards.

**Refund of Court/ Coaching Fee.**

18. There are no provisions for refund of fee once paid. Daily Players/ Visitors and students subscribing to the coaching Academy Classes must be clear as to what facilities they desire to avail and accordingly pay the fee, as default software settings precludes any refunds/ adjustments .
19. Players and visitors will not resort to arguments with the Stadium Staff to seek refunds/ adjustment of the fee wrongly/ incorrectly paid.

**Code of Conduct**

20. **Discipline.** Players/ visitors are to maintain decorum befitting a national sports arena. Indiscipline and misconduct vitiates the environment and is against the sportsman spirit. All visitors/ players will abide by decent social norms in their interaction and conduct with each other and the staff of SBS irrespective of their stature.
