**CIRCULAR**

It has been observed that during engagement of retired DDA Officers/ Officials as consultant and granting extension to them, current Vigilance Clearance Reports are not obtained from the Vigilance Department. As a result of this the officers/ officials who do not have clear VCRs are either engaged or given extension.

In order to avoid this situation, it has been decided that all the concerned departments who wish to engage retired officers / officials as consultant will obtain current VCR from the Vigilance department.
