# ZONAL DEVELOPMENT PLAN FOR ZONE 'C'

## CONTENTS

SL. NO	CHAPTER	PAGE NO.
<b>1.0</b>	<b>Introduction</b>	5
1.1	Background, Location, Boundaries & Areas	5
1.2	Statutory Provisions & Objectives	5
1.3	Earlier approved ZDP proposals	6
1.4	Special characteristics of the Zone	7 - 10
<b>2.0</b>	<b>Zonal Development Plan Proposals</b>	10
2.1	Population & Employment	10 - 11
<b>2.2</b>	<b>Residential Development</b>	11
2.2.1	Restructuring and upgrading/redevelopment of existing areas	11 - 12
2.2.1.1	Planned Areas :A.Plotted/Gr. Housing B.Employer Housing C.Bungalow Area	12 - 16
2.2.2	Traditional inner City & Unplanned areas:A.Special areas B. villages C. unauthorized / regularized unauthorized colonies	16 - 17
2.2.2.1	Facilities in Unplanned Areas	17 - 18
2.2.3	Mixed land use	18
2.2.4	Housing for urban poor	18 - 19
2.2.5	Redevelopment area along MRTS corridors	19
<b>2.3</b>	<b>Work Centres</b>	19
2.3.1	Industry	19 - 21
2.3.2	Trade and commerce, wholesale Trade	21 - 22
2.3.3	Informal trade and commerce	23
2.3.4	Government Use	23
<b>2.4</b>	<b>Social Infrastructure</b>	24
2.4.1	Health	24 - 25
2.4.2	Education	25 - 26
2.4.3	Sports facilities	26
2.4.4	Communications	26
2.4.5	Security and safety	26
2.4.6	Disaster Management Centre	27
2.4.7	Distributive	27
2.4.8	Other Community facilities	28 - 29
<b>2.5</b>	<b>Transportation</b>	29
2.5.1	Road Network	29
2.5.1.1	Road Development Plans	29

2.5.2	Road Network not implemented	29 - 30
2.5.3	Urban Relief Roads	30
2.5.4	Grade Separators	30 - 31
2.5.5	MRTS corridor	31
2.5.6	Integrated Multi-Modal Transport System	31
2.5.6.1	BRT Corridor	32
2.5.7	Bus Depot	32
2.5.8	Bus Terminals	32
2.5.9	Bicycle Tracks/ Cycle Rickshaw Tracks	32
2.5.10	Railway Stations	33
2.5.11	Goods Movement by Rail	33
2.5.12	Fuel Stations	33
2.5.13	Parking	33 - 35
<b>2.6</b>	<b>Environment/Areas of Significance</b>	35
2.6.1	Northern Ridge/ Regional Park	35
2.6.2	Multipurpose Grounds	36
2.6.3	Pollution control	36
<b>2.7</b>	<b>Areas for urban design</b>	36
<b>2.8</b>	<b>Conservation of built heritage</b>	37

## **PREAMBLE**

***“In accordance with the Authority’s Resolution in its meeting held on 6.9.2007, genuine pre-existing institutions, i.e. before 1.1.2006, rendering Cultural, religious (including spiritual) health care and educational services to the people, but which do not form part of the ridge or Gram Sabha or public land , shall be incorporated vis-à-vis their current land uses in the respective Zonal Plans keeping in view clauses 3 and 4 of the Master Plan-2021. Such Institutions will, however, be subject to reasonable policy and procedural stipulations regarding factual verification, FAR, Development Charges, Land Use etc.”***

## **1.0 ZONAL DEVELOPMENT PLAN FOR ZONE 'C'**

### **1.1 BACKGROUND, LOCATION , BOUNDARIES AND AREAS**

The NCTD has been divided into 15 planning Zones (Divisions) designated as 'A' to 'P' (except Zone 'I') in the Master Plan 2021. Zone 'C', is also known as 'Civil Lines Zone' and it is located towards North, covering an area of 3959 hac. and consists of 21 Sub-Zones .

The boundaries of the Zone- C are as under:

North-East	Part Ring Road, Outer Ring Road, Zone O (River Yamuna) N.H.-1 & P-II (North Delhi) adjoining Sub-zone C-21.
North-West	Zone P-I (Narela) & Zone P-II (North Delhi)
South-East	Old City (Zone-A)
South-West	Delhi Amritsar Railway Line Zone-H (North West Delhi-I)

Zone-C is identifiable with its prestigious Delhi University, Northern Ridge, ISBT (Kashmiri Gate) and Tis Hazari Courts. A significant feature of this Zone is the Old Secretariat Complex and Civil Lines Bungalow area of the Colonial period. Roshanara Bagh and Qudsia Bagh are historical gardens from the Mughal period. This Zone has posh residential areas, rehabilitation colonies and pre 1962 residential colonies. A part of Special area also falls in this zone. Other important activities in the Zone are Azadpur wholesale Fruit and Vegetable market and Sanjay Gandhi Transport Nagar. Metro Corridor is operational in this Zone. Dheerpur (Phase –I & II) is an important project in this Zone.

This zone has been developing since pre independence era and through the MPD-1962, MPD-2001 and now MPD-2021. As such the zone has heterogeneous character where the unplanned areas and planned areas developed under the norms of various plans co-exist.

### **1.2 STATUTORY PROVISIONS AND OBJECTIVES**

1.2.1 Already approved Sub-Zonal /earlier Zonal Plans in conformity with the Master Plan shall continue for the areas where the Zonal Plans have not been approved. The Zonal Plans in the form of structure plans shall be prepared within 12 months of the approval of MPD-2021.

1.2.2 The Zonal (Divisional) plan is being prepared under Section-8 and processed under Section-10 of the Delhi Development Act-1957. The modification of land use shall be processed under Section-11(A), simultaneously.

### **1.3 EARLIER APPROVED ZDP PROPOSALS**

#### **1.3.1 MASTER PLAN FOR DELHI-1962**

As per MPD-62, the Zonal Plan for Zone-C was prepared for a population of 3,87,685 and the total area of the Zone was divided into 20 Sub-Zones (C-1 to C- 20). The Status of approval of sub Zonal Plans as per MPD-62 is given. (Refer Annexure –1)

#### **1.3.2 MASTER PLAN FOR DELHI-2001**

The Zonal Development Plan had stipulated Population holding capacity of this Zone to be about 8,37,200 by the year 2001 and the total area of the Zone as 3888 Hac. A new Sub-Zone C-21 was added to the Zone. The Sub-Zone wise area is given. (Refer Annexure- 15)

MPD-2001 Stipulated that Civil Lines Bungalow Area shall be conserved to maintain its basic character. Part of sub-zone C-1 (Kashmiri Gate), C-4 & C-5 (Old Subzi – Mandi), C-6 (West Malka Ganj ) ,C-7 (East Malka Ganj) and C-10 (Roop Nagar- Part) have been identified as part of Special Area and therefore it shall be dealt as per special provisions given in the Master Plan .

The Zonal Plan has been approved by Govt. of India, Ministry of Urban Affairs & Employment, Vide No. K-13011/22/93-DDIB Dated 24<sup>th</sup> Sept. 1998.

#### **1.3.3 MASTER PLAN FOR DELHI-2021**

MPD-2021 has stipulated the Population holding capacity of this Zone to be about 7,88,000 and the total area of the Zone to be 3959 Hac.

The zone has not much area for Greenfield development as this zone has already been saturated. MPD-2021 has stipulated a series of innovative concepts such as Local Area Planning , Redevelopment of Villages, Unauthorized Colonies and Built up areas, Restructuring and up gradation of Residential Areas in the Influence Zone of MRTS , a network of Recreational and Sports facilities to be suitably incorporated while preparing the detailed Schemes.

## 1.4 SPECIAL CHARACTERISTICS OF THE ZONE

Zone-C has the warmth of various cultures, Solace of its gardens and the elegance and dignity of its monuments. A part of the Special Area-Shahjahanabad, (walled City ) is located in this zone. The Roshanara garden was laid out in 1640 around the time Shahjahanabad was being built. At the historical Delhi Darbar at Coronation Pillar in 1911, King George V announced the transfer of the seat of Imperial Government from Calcutta to the ancient capital of Delhi. The Old Secretariat of the Imperial Government was built in Civil lines with large and spacious residential plots in the Civil lines Bungalow area. Qudesia garden formed a green buffer between the walled city and Bungalow zone. Viceroy's palace was built on the western slopes of the ridge which was later transferred to the University of Delhi which was established in 1924.

Later, posh residential areas like Model Town etc.,were developed near to the Bungalow area.. After Independence, Kingsway camp was developed as a Rehabilitation Colony for the Pakistan refugees by the Rehabilitation Ministry. During emergency, few resettlement Colonies like Jahangirpuri were added to this Zone. Some of the Regularized Unauthorized Colonies like Adarsh Nagar Group of Colonies, Nirankari Colony etc. are part of this zone. A number of plotted residential colonies like Kamla Nagar, Roop Nagar etc. came up before MPD-62.

N.H-1(G.T.Karnal Road) converges into this zone and as per MPD-62, the Old Sabzi Mandi was shifted to New Azadpur Fruit and Vegetable Market on this Road. ISBT at Kashmere Gate is the major entry point of Delhi. Outer Ring Road which forms the North -Eastern boundary of this zone was added as an embankment to protect this low lying area from floods in 1982. The First phase of Underground Metro Corridor has improved the connectivity of this zone. The significant features of this Zone are:

- i) Bungalow Area.
- ii) Special Area,
- iii) Old Secretariat
- iv) Delhi University
- v) Northern Ridge (Regional Park)
- vi) Azad Pur Fruit & Vegetable Wholesale Market
- vii) ISBT,Kashmere Gate
- viii) Dhirpur project Phase-I.
- ix) Dhirpur project Phase-II.
- x) Coronation Pillar

### **1.4.1 Bungalow Area**

The Sub-Zones C-2 (Qudesia Garden/I.P. College) and C-3 (Civil lines) covering an area of around 250 Ha. form a part of Civil Lines Bungalow Area as envisaged in Master Plan. As per Mpd-2021, restructuring and up gradation of the existing areas is proposed . But to maintain the basic Character of this area separate development norms have been detailed out in a separate section. The essential character of wide avenues, large plots, extensive landscape and low rise development ,has a heritage value which has to be conserved. Mixed use, high intensity development along MRTS corridor and de-densification of trees/reduction of green cover is not permitted at all.

In order to maintain the city's ambience and pollution free environment in important areas of Delhi, Civil Lines Bungalow Area is categorized as 'No Industrial Activity Zone' where no industrial activity including household industry, shall be permitted.

Restrictions on tall buildings would be necessary in Civil Lines Bungalow Area. MRTS Influence Zone in Civil lines shall be excluded from enhancement of FAR.

### **1.4.2 Special Area**

A part of Sub-Zone C-1 (Kashmiri Gate), Sub-Zones C-4 & C-5 (Old Subzi Mandi),C-6 (West Malka Ganj) ,C-7 (East Malka Ganj) and C-10 (Jawahar Nagar-Part) have been identified as a part of special Area and therefore Redevelopment plans shall be made as per the special provisions given in the Master Plan.

### **1.4.3 Old Secretariat**

Major GNCTD offices, which were located in Old Secretariat building, have been shifted to the new premises at Indraprastha Estate. Old Secretariat is a historic building and needs to be conserved. Barracks area adjacent to the old Secretariat could be developed to accommodate additional GNCTD offices, Museum, tourist infrastructure etc. due to its location in between NH-1 and MRTS corridor.

MPD-2021 proposes optimum utilization of all Government lands with surplus lands to be utilized by government for residential development. It also proposes utilization of 10% of total FAR for commercial uses to make the restructuring process financially feasible.

### **1.4.4 Delhi University**

The Delhi University was established in 1924 and it has a number of old historical

buildings, Colleges, Viceroy's lodge etc. of the Colonial period and therefore efforts shall be done to preserve this character. Also, Efforts shall be done to make it an Integrated Campus (without thoroughfare) and self sufficient in terms of modern infrastructure and residential requirements like Hostels, Staff quarters, Security arrangements etc. by optimum utilization of the land. Attempt shall be made to accommodate all institutional requirements within the Campus. Therefore an Urban Design study shall be taken up for this sub-zone. MPD-2021 has restricted this area for tall buildings.

Delhi University has a large chunk of land allotted in Sub-zone C-15, (opposite Dushehra ground) and it is being utilized as Hostel and Staff quarters. Optimum utilization of this land shall be done to meet the requirements in future.

Listed Heritage buildings, some residences and Colleges of Historical importance prepared by DDA, INTACH, ASI & GNCTD are given. (Refer Annexure-9,10,11).

#### **1.4.5 Northern Ridge**

Northern Ridge is the rocky outcrop of Aravali Hills covering an area of 87 hac. as per notification no.F.10(42)-I /PA /DCF /93 /II dated 24.5.94 issues by GNCTD and MPD-2021. It needs to be preserved in its natural State. Metro Stations along with property development shall not be permitted in Regional Park / Ridge use Zone.

#### **1.4.6 Azadpur Fruit & Vegetable market**

As per MPD-62 proposals, the Fruit and Vegetable market in Subzi Mandi (C-5) was shifted to the Azadpur Mandi (C-20) which was then on the periphery of the City. But due to fast pace of urbanization, the Azadpur Mandi now forms part of the Centrally located Urbanized area with a heavy inter City and intra City truck movement. MPD-2021 has designated the market as Sub-City level market. The City level requirement shall be shifted to Integrated Freight Complexes in Narela near entry point of Delhi.

#### **1.4.7 Inter State Bus Terminal (ISBT), Kashmere Gate**

The major Entry point to Delhi by Bus is located in this Zone. It is proposed to integrate ISBT with Delhi main railway station and the land should be made available by the shifting of the IP University to the new Campus.

#### **1.4.8 Coronation Pillar**

Coronation Memorial reminds of the foundation stone laid for Imperial Delhi as the new capital of India which was subsequently shifted at Raisina hills. Coronation

Park houses the marble Statues of King George V, which was originally under the canopy at India Gate, and the other Important personalities of the British period in India . Earlier Zonal plan had proposed to develop this land as special children play area similar to the one existing at India Gate.

The land around Coronation Pillar is under the jurisdiction of L&DO. It is near to NH-1 Bye-pass and therefore it has the potential of being developed as a tourist spot. The adjoining area earmarked for Green/water body can be taken for development of sports facilities etc.

#### **1.4.9 Dhirpur Project, Phase-I**

Dhirpur Phase-I Project covering an area 194.5 Ha., is proposed for a population of 40,000. As per MPD-2021, a non- hierarchical Commercial Centre has been proposed in Dheerpur Phase-I.

#### **1.4.10 Dhirpur Project, Phase-II**

The Master Plan envisages the area to the West of Dheerpur Phase-I to be developed for partly commercial (District Centre), residential, facility centers, recreational, local shopping centre etc. It is proposed to develop this area on a comprehensive basis as per the uses proposed in MPD-2021.

A large portion of this area is owned by DJB and shall be developed as per recommendations for various uses jointly by DDA and DJB. The Public Private Partnership model can also be worked out for development of this Project.

## **2.0 ZONAL DEVELOPMENT PLAN PROPOSALS**

The Zonal plans shall detail out the policies of the Master Plan 2021 and act as a link between the Layout Plan and Master Plan. The development schemes and layout plans indicating various use premises shall conform to the Master Plan / Zonal Plans

### **2.1 POPULATION AND EMPLOYMENT**

i) Existing Population 2001	-6,79,000
ii) Holding capacity as per MPD-2021	-7,88,000

Zone-C is a saturated zone in terms of population and as per MPD-2021 the additional net population to be accommodated in this zone is 1,09,000.

### **2.1.1 Population holding capacity**

Population holding capacity of Zone C is to be enhanced through a redevelopment strategy and differential development norms as per MPD-2021. This Shall be related with:

- (i) Residential development types and their potential for higher absorption.
- (ii) Re densification of housing areas developed at lower densities and along selected sections of the metro corridor.
- (iii) Redevelopment areas should be identified by the concerned agencies and special redevelopment schemes should be prepared with regard there to for implementation with in a stipulated time frame work.
- (iv) Employment areas/centers.
- (v) Augmentation and rationalization of infrastructure – physical and social.
- (vi) Increase in transportation network capacity.

### **2.1.2 EMPLOYMENT**

Based on various activities, employment centres have been identified with estimated workforce of about 3,00,228 (Participation Rate-38.1% as per MPD-2021). The following work places have more than 10,000 work force:

- i) Old Secretariat.
- ii) Tis Hazari Courts
- iii) Delhi University
- iv) Regional Wholesale Market with warehousing & Truck Terminal- North Samaypur ( C-21)
- v) New Azadpur, Fruit & Vegetable Market
- vi) Rajasthan Udyog Nagar G.T.Road near Jahangirpuri.
- vii) SMA Co-op Indl. Estate G.T.Road near Jahangirpuri
- viii) SISI Indl. Area G.T.Road nearJahangirpuri
- ix) G.T.Karnal Road Indl. Area near Rana Pratap Bagh.
- x) ISBT, Kashmere Gate.

## **2.2 RESIDENTIAL DEVELOPMENT**

### **2.2.1 RESTRUCTURING AND UPGRADATION / REDEVELOPMENT OF THE EXISTING AREAS**

In Zone-C, a large number of areas are old and are characterized by poor structural condition of buildings, sub optimal utilization of land, congestion, poor urban form, inadequate infrastructure services, lack of community facilities, etc.

The housing stock in both planned and unplanned areas can be enhanced through various approaches as per MPD-2021. The areas for which redevelopment schemes can be prepared are:

### **2.2.1.1 Planned Areas**

#### **A. Plotted/Group Housing**

There are a number of plotted Residential Colonies like Model Town, Gujrawalan Town, Derawal Nagar, CC Colony, , Kamla Nagar, Rana Pratap Bagh, Shakti Nagar, Roop Nagar, Jawahar Nagar, Kingsway Camp etc. which came up before MPD-1962. Outram Lines and Hudson Lines were the Rehabilitation Colonies which were re planned by DDA . (Refer Annexure-2)

The flats built by DDA, particularly those, which have become aged, may be redeveloped with permission and subject to the condition that the structural safety of other flats is not impinged. Already developed group housing inclusive of public (DDA and others), co-operative housing may be redeveloped on the basis of prescribed norms and regulations by formulating co-operative societies or self-managing communities. The funds for redevelopment shall be contributed by the residents / beneficiaries.

#### **B. Employer Housing**

In Zone-C substantial areas were developed at low density after Independence, and have potential for densification. Employer housing has come up in Delhi University, Police Lines, T.B.Hospital, Timarpur, Radio Colony, MCD Colony, DJB Colony, I.P. College etc. Most of them are located within walking distance from MRTS.

These are mainly government areas. In order to optimally utilize these prime lands there is need of intensive development. On a conservative estimate the present housing stock can be increased to more than double. Infrastructure enhancement and provision for additional housing can be financed from the funds generated through cross-subsidisation between commercial and residential use for EWS and LIG categories.

#### **C. Bungalow Area**

The Scheme for Redevelopment of Bungalow area was approved vide D.D.A Resolution no. 38/93 dated 23.3.93.

Necessary modifications in the plan have been incorporated in the plan on 8.4.99 after the Zonal Development Plan for Zone-C was approved by the ministry of Urban Affairs and Employment, Department of Urban Development ( Delhi Division) vide No. K-13011/22/93-DDIB dated 24<sup>th</sup> September 1998.

## **RECOMMENDATIONS :**

### **BOUNDARY OF THE BUNGALOW AREA, CIVIL LINES :**

The boundary of the Civil Lines Bungalow area shall contain the areas of earlier sub-zones C-2 and C-3, measuring about 250 hect. Thus the boundary is to run from ISBT, Mahatma Gandhi Marg in the east, Ashram Marg/part of Shamnath Marg in the North and Ridge boundary in the West, Boulevard Road (Qudesia Road) in the South meeting at ISBT.

### **DEVELOPMENT CONTROL NORMS :**

There were considerable number of large size (more than one acre) bungalow plots, but with the passage of time quite a number of plots have been utilized/sub-divided for Group Housing Scheme and otherwise. These plots are generally fronting on narrow roads/lanes (8 to 10 mts. wide) which are to be widened reasonably (min. 13.5 mts.). Therefore, remaining plots shall be further reduced in size. Considering such grounds realities it may not be appropriate to follow the bungalow policy of New Delhi Area, i.e. a bungalow to be replaced by a bungalow. Norms for development for residential categories shall be as under :

- i) BUNGALOW PLOT (4000 sqm. And above for Group Housing)  
Development norms shall be as per D.D.A. resolution NO. 184 dt. 24.12.1980 and 38/93 dated 23.3.1993 (annexture x) i.e.
  - a) Ground Coverage 25%
  - b) FAR 75
  - c) Height 11 M (35)
  - d) Density 62-75 ppa or 15 DUs/Acre  
(38 DUs/Hact.)

ii) **STREET WIDTH FOR GROUP HOUSING :**

Since this is an existing area and there is hardly any scope to achieve considerable road widening it is recommended that the fronting road to be widened 13.5m minimum R/W equally on either side from the centre line of the road.

iii) **OTHER RESIDENTIAL PLOTS:**

The norms for development of plots less than 4000 sq.mt. shall be on low intensity as under :

<b>Plot size (sq.mt.)</b>	<b>Max. Ground coverage (%)</b>	<b>FAR</b>	<b>Max. Height (metre)</b>	<b>No. of DUs</b>
Below 4000	33.33	75	11	Upto 15 DUs/ Acre or 38 Dus/Hect.

**OTHER CONDITIONS:**

- a) Basement, if any, shall be counted in FAR if not used for parking/services where applicable.
- b) Parking and tree plantation/landscape shall be governed as per MPD-2021 norms.
- iv) Existing residential plots shall not be permitted to be sub-divided.
- v) **Plots other than residential**

Development norms for such plots shall be worked out keeping in view the urban form studies within the prescribed code of MPD-2021 so as to maintain the existing character of the area.

- vi) Two local shopping centre are proposed on Govt. land at R.T. Office on under Hill Road (C-3) and another on Shamnath Marg. A convenient shopping centre be developed on Yamuna Road adjacent to Govt. Office complex (C-2). The existing exchange store be re-developed as convenient shopping with adequate parking facilities.

- vii) Existing intensive/non-compatible uses to be shifted to regain the tranquility of the area :
  - a) National Institute of Communicable Diseases (5 Hect.) on Shanmath Marg. Vacated land to be utilized for meeting out the deficiency in community facilities like local Shopping Centre Car Parking, park and play area etc.
  - b) Regional Transport Office on Crossing of Rajpur Road and Under Hill Road land vacated is to be utilized for Local Shopping Centre and Parking etc.
  - c) Office of STC on Rajpur Road.
  - d) Office of Commissioner of weights and measures on Under Hill Road.
  - e) Office of Commissioner of Taxes and Excise on Battery Lane.
- viii) Green Area between Under Hill Road and Raj Niwas Marg is to be redeveloped.
- ix) **Mixed use :**

This area is practically free from the mixed use and considering the tranquility of the area, no mixed use be permitted except professional activity as per MPD.
- x) River bed should be exploited for providing recreational facilities, play area etc. by providing subways.
- xi) In the zone there are number of buildings of architectural value, which may be listed for conservation like Metcalf home etc.
- xii) Sham Nath Marg and Rajpur Road to be widened to 30 metre and 24 metres respectively and other internal roads in C-2 to be widened to 13.5 metre equally on either side from the centre line of the road. The court Road and Under Hill Road be widened to 24 metre and Raj Niwas Marg to 18 metres.
- xiii) Existing road side plantation should be retained and more trees are to be planted wherever possible.
- xiv) Detailed urban form study should be conducted around important junctions.

- xv) Hoardings- No Hoardings be permitted unless properly designed and approved by local Authority.
- xvi) The Landuse of property No. 7 Court Road, Civil Lines, Delhi will remain 'Residential'. Vide the directions of Min. of Urban affair and Employment Govt. of India of No. K13011/22/98-DD-II Dated 24<sup>th</sup> Sept 98.

## **2.2.2 TRADITIONAL INNER CITY AND UNPLANNED AREAS**

### **A. Special Area (Walled city and Walled City Extension)**

The Special Area as defined in the Plan has been divided into three separate parts, namely (i) Walled City (ii) Walled City and Extension and (iii) Karol Bagh.

The most important part of the special area is the traditional city of Shahajahanabad (Walled City), part of which falls in C-1.Pahar Ganj, Sadar Bazar, Roshanara Road and their adjoining areas comprise the Walled City and Extension. These are old congested built up areas and for up gradation of the environment of these areas, minimum level of infrastructure and parking facilities shall be provided.

The redevelopment in these areas shall be in accordance with the respective comprehensive redevelopment schemes with conservative surgery as a planning tool.

A part of Sub-Zone C-1 (Kashmiri Gate), Sub-Zones C-4 & C-5 (Old Subzi Mandi),C-6 (West Malka Ganj) ,C-7 (East Malka Ganj) and C-10 (Jawahar Nagar-Part) have been identified as a part of special Area and therefore Redevelopment plans shall be made as per the special provisions given in the Master Plan

Special Area Redevelopment Schemes shall be prepared for traditional areas giving the development control parameters for the heritage areas keeping in view archaeological norms / architectural character and general parameters for the non-heritage segment of the traditional area. Each Special Area Redevelopment Scheme shall entail an enumeration of the monuments and old buildings within the heritage areas, which shall be conserved. The MCD is the nodal agency who shall prepare Special Area Redevelopment Schemes for all traditional areas within a time frame.

The basic objective of Special Area Redevelopment Scheme in traditional areas is to bring about in situ improvements which help in improving architectural character

of the area, i.e., design and layout, as well as revitalising trade and commerce in the area.

## **B. Villages**

The Urban villages in Zone-C (Refer Annexure -2) have experienced substantial socio-economic changes. Village Redevelopment Schemes shall be prepared for villages giving the development control parameters by the concerned local body. The redevelopment plans shall ensure that the permissibility of mixed use zoning at property or within the premise level is compatible to the predominant residential areas.

## **C. Unauthorized / Regularized Unauthorized Colonies**

Out of the list of unauthorized colonies identified by Govt. of NCTD which are under the process of regularization, some of the colonies fall in Zone-C and shall be dealt as per the policy for regularization of Unauthorized Colonies. (Refer Annexure- 5)

In all unauthorized colonies whether on private or public land, regularization shall be done as per the government orders issued from time to time. It shall be ensured that for improvement of physical and social infrastructure, the minimum necessary/feasible level of services and community facilities are provided as per norms given in MPD-2021.

Tentative List of Unauthorised Colonies identified in Zone-C as per the GNCTD list of 1520 Unauthorised Colonies is enclosed at Annexure –5 (ii).

### **2.2.2.1 Facilities in Unplanned Areas**

As Special permission from the Authority or as per approved Layout Plan, the following institutional activity / PSP facility under Residential Use Zone, is permissible under Sub-Clause 8(2) of MPD-2021:

- i) Hospital (upto 100 beds)
- ii) Primary Health Centre / Family Welfare Centre / Maternity Home /dispensary etc.
- iii) Nursing Home / Poly Clinic / Clinic /Clinical lab. Etc.
- iv) Dispensary for Pet and animals
- v) Primary School / Middle School
- vi) School for Mentally / Physically Challenged
- vii) Technical Training Centre ( I.T.I / Polytechnic / Vocational Training Institute/ Management Institute /Teacher Training Institute, etc.)

Facilities- Bus terminal, Taxi stand, milk / vegetable booths, religious premises, vending booth, petrol / CNG filling pump, recreational club, police post, police station, fire station, post office, & telegraph office and telephone exchange.

### **2.2.3 MIXED LAND USE**

2183 streets have been notified by the GNCTD vide notification dated 15.09.06 for local commercial and mixed use activities.. Again, local commercial and mixed use Streets were notified on 12.4.07. In case there is a difference in ROW between GNCTD notification and Zonal Development Plan, the ROW given in ZDP shall prevail.

Some areas developed prior to 1962 like Kamla Nagar having concentration of commercial activities shall continue subject to conditions prescribed under the Mixed Use Regulations..

List of Mixed Land Use Streets notified in Zone-C is given at Annexures-6,7,8. The List of Mixed Land Use Streets is subject to Amendments/Variations from time to time.

### **2.2.4 HOUSING FOR URBAN POOR**

#### **2.2.4.1 Rehabilitation/Relocation of Slum & JJ Clusters**

A number of Slum & JJ Clusters are existing in Zone-C which have located themselves on the prime commercial / Green /PSP lands etc. These shall be dealt as per policy depending on its location, Use etc. while preparing Local area plans.

#### **2.2.4.2 Resettlement Colonies**

The resettlement colonies in this Zone are Jahangirpuri, Nehru Vihar, Gandhi Vihar etc. These resettlement colonies have been provided with essential services, but the immediate need is of individual services i.e. water, sewerage and electricity. To ensure healthy and better environment, up gradation of infrastructure is needed.

#### **2.2.4.3 New Housing for Urban Poor**

New housing shall be in the form of one or two room units, which shall be developed through public and private agencies and through Cooperative societies. The developers shall ensure that the dwelling units are constructed for Community-Service Personnel/EWS and lower income category as per the norms given in MPD-2021.

#### **2.2.4.4 Night Shelter**

Night Shelter is existing near New Azadpur Mandi on G.T. Karnal Road. New Night Shelters shall be proposed near workplaces like ISBT ,Sanjay Gandhi Transport Centre and in Facility Centres etc. by the respective implementing agency.

#### **2.2.5 REDEVELOPMENT AREA ALONG METRO CORRIDOR (INFLUENCE ZONE)**

Phase-I of Underground Metro Corridor passing through Shamnath Marg and Mall Road is functional in this Zone. This MRTS network would bring sizable urban area within walking distance from the proposed stations.

Influence Zone along MRTS corridor is envisaged as intensive development zone. The Residential Areas coming in the Influence Zone Maximum upto 500 m. wide belt on both sides from the centre line of the MRTS / Major Transport Corridor (to be identified in consultation with GNCTD) shall be designated as Influence Zone. The Planned residential areas falling in the influence Zone along MRTS shall be taken for Redevelopment. These schemes for Redevelopment of Influence Zone shall be prepared on the basis of the norms given in MPD-2021.

The Civil Lines Bungalow Area shall be excluded from the enhancement of FAR.

### **2.3 WORK CENTRES**

#### **2.3.1 INDUSTRIES**

The classification of industries is proposed to be simplified with prohibited category and non-prohibited category subject to proposals regarding specific category of industries permitted in different use zones.(Annexure –I,II,III MPD-2021) The Industries listed under prohibited category shall not be permitted to be set up in Delhi. Further, all planned industrial areas in Zone-C are designated under a single land use category namely, Industry. The standards prescribed by the Pollution Control Authorities would have to be met by all industrial units, in addition to specific conditions in terms of number of workers and power load in specified categories.

##### **2.3.1.1 Redevelopment of existing planned Industrial Areas**

The following planned industrial areas were developed in the 70's and over the years, have deteriorated considerably in terms of physical infrastructure and, in some cases deficiencies on this score have persisted in an overall sense. Besides, there have been changes in the nature of activities in some of the areas

and there is need to prepare Redevelopment Plans together with up gradation of infrastructural services.

1. Rajasthan Udyog Nagar, G.T.Road near Jahangirpuri.
2. SMA Co-op. Indl. Estate, G.T.Road near Jahangirpuri.
3. SISI Indl. Area G.T.Road near Jahangirpuri.
4. G.T.Karnal Road Indl. Area near Rana Pratap Bagh.

There is a need for modernization and up gradation of the existing industrial areas with due regard to environmental consideration. Since most of the industrial areas are located along the Mass Public Transport Corridors, there is also a need of redevelopment.

This process of up gradation and redevelopment will need to be carried out in a planned manner, and in public-private partnership framework, in which the entrepreneurs contribute to the betterment and subsequent maintenance through suitable Operation and Maintenance arrangements.

### **2.3.1.2 Redevelopment of Unplanned Industrial Clusters**

MPD-2021 has proposed policy for re-development of unplanned industrial areas, which includes 20 clusters with industrial activities for re-development. These are categorized in two parts.

Samai Pur Badli was included in MPD-2001 for Industrial areas re-development schemes. In this case, the land use was indicated as extensive industries. As per MPD-2021, the Land use is industrial (Manufacturing, Service and Repair industries)

MPD-2021 has included Libaspur unplanned industrial area for redevelopment in this Zone. The Govt. of Delhi has notified this non-conforming clusters of industrial concentration having more than 70% plots in the cluster with industrial activities for redevelopment vide notification dated 5.12.2005. This will be dealt further as per the actions taken for redevelopment prescribed in MPD-2021.

### **2.3.1.3 No Industrial Activity zone**

In order to maintain the City's ambience and pollution free environment in important and historic areas of Delhi, Civil Lines Bungalow Area has been categorized as 'No Industrial Activity Zone' where no Industrial activity including household industry, shall be permitted.

### **2.3.2 TRADE AND COMMERCE:**

As per the MPD-2021 the five tier hierarchy of Commercial areas is envisaged to accommodate required shopping, commercial office and other service activities like cinema, hotel and restaurant and various community services and facilities in an integrated manner. Service Market and Informal Bazar need to be integrated with District Centres wherever possible. Involvement of Developers, Owners Associations in upgradation of infrastructure and built environment in Old District Centres is recommended.

In addition, some components of commercial use have been provided under mixed use, non- hierarchical commercial centers, and informal sector .

#### **2.3.2.1 District Centres/ Community Centres**

District Centres in Zone-C , in the process of development are indicated below:

1. Dheerpur Ext. (Jahangirpuri)
2. Majnu Ka Tilla (Khyber Pass)

The site for proposed District Centre at Dheerpur Phase-II has been suitably modified as per approved scheme plan of Jahangirpuri Resettlement Colony prepared by MCD.

#### **2.3.2.2 Non- Hierarchical Commercial Centre**

Besides the above District Centres, the following non-hierarchical commercial Centre shall be developed with specific scheme:

1. Non-hierarchical Commercial Centre, Dheerpur ph.-I

#### **2.3.2.3 Community Centres (CC)**

The Community Centres in Zone-C are as under:

1. Tis Hazari
2. Dheerpur PH.-I
3. Model Town/AzadPur
4. G.T.Karnal Road Industrial Area
5. Timarpur
6. Malka Ganj
7. Nehru Vihar

8. Mukherjee Nagar
9. Outram Lines
10. Adarsh Nagar

All these Community Centres are indicated on the Land use plan of MPD-2021 & Zonal Development Plan.

In unplanned / undeveloped centers adequate provisions shall be made for Service Markets and Informal Bazaars etc. as per MPD-2021 norms.

### **2.3.2.5 WHOLESALE TRADE**

One regional wholesale market with warehousing and truck terminal facilities has been proposed at Samepur Badli. Similarly warehousing and depots have been proposed at G.T. Karnal Road Industrial Area and at the crossing of Outer Ring Road and G.T. Road

New Azadpur Mandi was developed in early seventies for Fruit and Vegetables. This has been designated as Sub City level wholesale markets to cater to the needs of population at local level. The Wholesale trade at City level shall be shifted to IFC Narela.

The traders associations shall share the responsibility of redevelopment to modern wholesale markets. The beneficiaries will have to pay the betterment charges to the implementing agency. Space for commodities that are not permissible in mixed-use streets shall be made available in wholesale city level market and sub-city level market to enable their relocation.

The existing planned wholesale markets, warehousing and transport centers in Zone-C are as under :

S.No.	Location	Commodity/Activity
1.	North Samaypur , C-21	wholesale market with warehousing and truck terminal.
2.	Azad pur	Fruit & Vegetable
3.	Sanjay Gandhi Transport Center	Transport/Warehousing
4	Outer Ring Road & G.T. Karnal Road Crossing	Warehousing

The existing Wholesale markets in Special Area shall be dealt as per the policies prescribed in MPD-2021.

### **2.3.3 INFORMAL TRADE AND COMMERCE**

#### **2.3.3.1 Service Markets/ Informal Bazar**

Special attention is required for the low turnover and space extensive shops for fruits and vegetables, service and repair, junk and scrap materials (kabari), building materials, automobile workshops etc.. The grouping of such activities with planned retail markets leads to conversion of shops into high profit commercial activity.

#### **2.3.3.2 Informal Sector**

The informal sector units locate themselves strategically near work centers, commercial areas, outside boundaries of schools, colleges, hospitals and transport nodes and near large housing clusters. A large number of units are mobile in nature. A very high percentage of this activity has been observed in in Zone –C.

‘Hawking’ and ‘No Hawking’ Zones shall be identified by the concerned local authority.

#### **2.3.3.3 Organized Informal Sector Places (Haat)**

There are large numbers of informal sector units but no organized clusters. There is a need to provide for organized informal eating-places along with casual shopping etc. to be located strategically in Dheerpur Phase-II.

### **2.3.4 GOVERNMENT USE**

Government of India, Govt. of NCTD and local bodies are occupying prime land in Delhi for their offices. Most of the offices have been setup before or immediately after Independence.

Major GNCTD offices, which were located in Old Secretariat building, have been shifted to the new premises at Indraprastha Estate. Old Secretariat is a historical building and needs to be conserved. Barracks area adjacent to the Old Secretariat could be redeveloped to accommodate additional GNCTD offices.

Tis- Hazari District Courts is a major employment center on Government land in sub-zone C-1. Government Lands which are underutilized and in old and dilapidated state shall be redeveloped as per Land use and norms given in MPD-2021.

The optimum utilization of the following Government lands shall be worked out;

1. Old Sectt. Complex, (C-12)
2. Tis Hazari Courts(C-1)
3. Rajan Babu T.B.Hospital, (C-19)
4. Delhi University Campus ,( C-13)
5. DJB land at Dheerpur ph.-II, C-19
6. Police Lines (C-16)
7. Transmission Centres at Radio Colony & Mall Road. (C-19 & C-14)
8. Govt. Land (Timarpur)(C-14)
9. Land for Communications (Post/Telegraph/Telephone Facility) Banda Bahadur Marg.(C-15)
10. Govt. Land Coronation Pillar(C-15)

## **2.4 SOCIAL INFRASTRUCTURE**

The facilities at the Zonal Plan level have been indicated on the plan but the facilities at the Neighbourhood level shall be worked out at the time of preparation of Local Area Plans.(Refer annexure-14).There is very little scope for development ,but where ever re development shall take place, MPD-2021 norms shall be followed.

The Social Infrastructure in this zone shall be upgraded in this zone through the following measures :

- i) Redevelopment of large Campuses to accommodate additional requirements.
- ii) Enhancement in FAR as per MPD-2021.
- iii) Additional requirement at city level shall be met by utilizing underutilized Government lands.

### **2.4.1 HEALTH**

#### **2.4.1.1 Hospitals**

MPD-2021 states that the existing bed density per thousand population in Delhi works out to only 2.2. The World Health Organization (WHO) has recommended a norm of 5 beds per thousand population.

MPD-2021 has categorized Hospitals in to the following Categories:

Category A(501 beds & above) for every 5 lakh population

Category B(201 beds to 500 beds) for every 2.5 lakh population

Category C(101 beds to200 beds) for every 1 lakh population

Category D (Upto 100 beds) for every 1 lakh population

Other health facilities, which include maternity home, nursing home, family welfare center, polyclinic, pediatrics center, geriatric center, diagnostic center etc. shall be provided as per the norms given in MPD-2021.

List of Government Hospitals on sites earmarked for Hospitals is as under:

S.NO	Existing Hospitals	Sub-Zone
1.	St. Stephens Hospital	C-1
2.	Hindu Rao Hospital	C-11
3.	Rajan Babu T.B Hospital	C-19
4.	Maharishi Balmiki I.D.Hospital	C-19
5.	Babu Jagjivan Ram Hospital, Jahangirpuri	C-20
6.	Balak Ram Hospital, Timarpur	C-14

Re building ,up gradation and modernization of existing old hospitals is proposed by enhancement of FAR for various levels of health facilities.

Hospitals Proposed in Facility Centres in Zone-C are :

S.NO	Existing Hospitals/Sites	Sub-Zone
1.	Prop. Hospital (FC-3)	C-15
2.	Prop. Hospitals (FC-2) (2 Hospitals- B & C)	C-18
3.	Prop. Hospital (FC-6) Dheer pur Ph. II	C-20

Rajan Babu TB Hospital and Maharishi Balmiki ID Hospitals are contagious diseases Hospitals in Zone-C and as per MPD-2021,these Hospitals shall be shifted in Urban Extensions with proper seclusion facilities and connectivity, and using the space thus made available for general hospitals. These Hospitals are in dilapidated state and also invite a large number of Informal sector.

## **2.4.2 EDUCATION**

### **2.4.2.1 Delhi University**

Delhi University has a total of 11 colleges including some other specialized institutions within its complex. It shall cater to this zone as well as the adjoining other Zones.

### **2.4.2.2 Vocational Training Centres**

As per MPD-2021 norms one ITI(Vocational Training Institute) is required for every 5 lakh population. The Zone has three proposed Industrial Training Institutes:

- i) ITI in FC-4 (C-15)
- ii) ITI, G.T.Road (C-18)
- iii) ITI in Jahangirpuri ( C-20)

### **2.4.3 SPORTS FACILITIES**

The land around Coronation Pillar is under the jurisdiction of L&DO. It is near to NH-1 Bye-pass and therefore it has the potential of being developed as a tourist spot including the adjoining Green/water body for development of District sports Centre etc.

Chattarsal Stadium is located in sub-zone C-18 on Ring Road opposite Model Town-III and a DDA Sports center measuring 0.665 Hac. is situated in C.C.Colony (C-17)

### **2.4.4 COMMUNICATIONS-POST/TELEGRAPH/TELEPHONE FACILITY**

As per MPD-2021,the sites for Telephone Exchange and other means of Communications shall not be reserved in layout Plan due to liberalization and technological advancement.. The site earlier earmarked for Communications in sub-zone C-15 shall be utilized for Science Centre.

In view of the less demand, the sites earlier earmarked for these facilities shall be utilized for new facilities as proposed in MPD-2021 such as Disaster Management Centre, Old age, Multipurpose Community hall etc.

Administrative Office of the Director General of Postal Accounts is located adjoining Old Secretariat Complex in sub-zone C-12. Transmission Centre sites in sub-zone C-19 and C-14 are underutilized and therefore optimum utilization of all these lands is proposed.

### **2.4.5 SECURITY AND SAFETY**

#### **2.4.5.1 Police Lines**

The main agency looking after security aspect in the city is Delhi Police. Delhi Police offices, employer housing Complex and Police Grounds is situated in sub-Zone C-16. These Government Lands are underutilized and it is proposed to make

optimum utilization of these lands.

Change of Land Use of an area measuring 7.99 hac. has been notified from Residential to PSP ( Police Headquarters and Police Line)in Civil lines Bungalow Zone ( C-3) .

#### **2.4.5.2 Fire Stations**

As per the norms three Fire stations for every 5 lakh population are to be provided in 5-7 Km. Radius, therefore total 5 Fire stations are required in Zone-C.

There are four fire stations sites proposed in this Zone;

- i) Roop Nagar (C-17)
- ii) Chandrawal Water Works (C-12)
- iii) Jahangirpuri, (C-20) near Jagjivan Ram Hospital.
- iv) FC-7 in Sub-Zone C-20.(opposite Azadpur Mandi)

Fire Posts shall be provided in District Centres and Wholesale Markets.

#### **2.4.6 DISASTER MANAGEMENT CENTRE**

As per MPD-2021, it is proposed to have a Disaster Management Centre in each Administrative Zone. Disaster Management Centre measuring 3 hac.(1.0 Ha. along with suitable open area of 2 Ha. for soft parking, temporary shelter, parade ground etc.) shall be Integrated with the existing Fire Station at Chandrawal water works on DJB/GNCTD land in Sub-zone C-12. It could also be proposed in FC-5 (C-19).

#### **2.4.7 DISTRIBUTIVE**

##### **2.4.7.1 LPG Godowns**

As against the 24 Gas Godowns required as per MPD-2021, @ 3 LPG Godowns per one lakh population, 20 gas Godowns are already existing in the zone. No new Gas Godown sites are envisaged as Piped Gas supply network is being provided in Residential Colonies by I.P.Gas agency.

#### **2.4.8 SOCIO CULTURAL FACILITIES**

The Site for Socio-Cultural facilities earmarked in sub- zone C-14, Opposite proposed Khyber Pass District Centre has been taken over by DMRC and Change of Land use as per MOUD,GOI notification no..1273(E) dated 5.11.2003 has taken place. An alternate Site earlier earmarked for Communications in sub

zone C-15 shall be utilized for Science Centre. Socio Cultural facilities like Banquet Halls, Multipurpose Community Hall, Recreational Club, Exhibition cum Fair ground etc. shall be detailed out while redesigning FC-5 in Sub-zone C-19.

#### 2.4.9 OTHER COMMUNITY FACILITIES

A number of public and semi-public facilities have been augmented in the zone mainly in six facility centres as per detail in the table below;

##### Facility Centres in Zone-C

S. No.	Sub-Zone	Facility Centre No.	Area in Hac. (Approx.)	Facilities Suggested
1.	C-15	FC-3	7.5	Telephone Exchange*, Students Hostel, Guest House.
2.	C-15	FC-4	7.0	Police Station, Hospital-A, College, ESS
3.	C-18	FC-2	5.0.	Hospital-B & C, Nursing Home, Head Post Office, Telegraph Office*.
4.	C-19	FC-5	9.0	Social Cultural Facilities.
5.	C-20	FC-6	9.5	Hospital- B, Nursing Home.
6.	C-20	FC-7	4.5	Fire Station.
	Total	6 Nos.	42.5	

Source:ZDP-C, MPD-2001

The schemes for Facility Centres were prepared as per the norms given in the previous Master Plan. It is proposed to accommodate other Community facilities like Old Age home, Orphanage, Night Shelter etc. in Facility center -6 in Dheerpur Phase-II .

The site for proposed FC-6 at Dheerpur Phase-II (C-20) has been suitably modified as per approved scheme plan of Jahangirpuri Resettlement Colony prepared by MCD.A Bus Terminal site has been proposed in F.C-6 near Jahangirpuri.

##### 2.4.9.1 Cremation Ground, Burial Ground & Cemetery

As per the norms given in MPD-2021, One Burial ground /Cemetery is required for every 10,00,000 Population. Nigambodh Ghat Cremation ground and Electric

Crematorium in Zone-O serves the needs of the adjoining Zones. Site for any future Requirement shall be worked out with the help of MCD.

A number of historical Cemeteries of the Colonial period are existing in this zone like Rajpura Cemetery, Nicholson Cemetery, Kashmere Gate Cemetery etc. Some of the Urban Villages have their local Cremation Grounds/burial grounds etc.

1. Proposed Cremation Ground Site along Railway Line ,near Sanjay Gandhi Transport Nagar.
2. Qadimi Kabristan at Mukarba Chowk
3. A new Cremation Ground site has been proposed in Jahangirpuri (FC-6).

## **2.5 TRANSPORTATION**

### **2.5.1 Road Network**

Outer Ring Road (Road No.50) , Mall Road, Mall Road Extension and Road No. 51 are the major Arterial Roads which are maintained by PWD, NHAI etc.

MPD-2021 proposes optimal use and utilization of the existing road network and full development of ROW by removing all impediments. All arterial roads will be restructured to allow for smooth and safe flow of buses and non-motorized transport to minimize pollution and congestion.

#### **2.5.1.1 Road Development Plans( Under JNNURM Project)**

All the Road owning agencies shall get Road Development Plan prepared for 30 M & above ROW Roads shown in MPD-2021 along with interchange details of junction / intersection falling in the alignment showing location of bus stop, metro station & the pedestrian linkage for smooth changeover from one mode to another

### **2.5.2 Road Network not implemented**

There are other Sub- Arterial Roads which have not been implemented partly and the continuity of these Roads needs to be checked by the concerned Department for good connectivity and easy flow of the traffic:

i) Road No. 48 -starting from Ring Road (along Najafgarh Drain ,Hudson Line) and linking G.T.Karnal Road is encroached in Vijay Nagar .

ii) Master Plan Road, 30 m ROW -Princess Road / SRP Bismil Road connecting Ring Road (near Alpana Cinema) to Coronation Pillar in Dheerpur Phase-II is

interrupted at North of Model Town.

iii) Master Plan Road 30 m ROW at the North of Model Town connecting Princess Road and Road No. 51 is encroached near Gopalpur Village.

iv) Realignment Plan of Road No. 46, near Khyber Pass is not implemented.

### **2.5.3 Urban Relief Roads**

MPD-2021 has proposed a number of Urban Relief Roads all over Delhi. The following additional Urban Relief Roads could be considered for detail feasibility by GNCTD :

i) In order to reduce congestion on G.T.Karnal Road near Azad pur Fruit and Vegetable market, a Relief Road to give access to this Market from its back along the existing Railway line is being proposed. This would help to curtail the Truck movement on G.T.Karnal Road and deflect the traffic at the back of the Azad pur market.

ii) Dheerpur phase-I, Village Gopalpur, Resettlement colonies- Gandhi Vihar, Nehru Vihar etc. have a poor connectivity with the rest of the zone and Metro Corridor. A relief Road is being proposed parallel to the Najafgarh drain starting from Ring Road and linking Outer Ring Road at Wazirabad.

### **2.5.4 Grade Separators**

The Master Plan studies indicate the need for provision of intersections with grade separators. In case of existing grade separators the possibility of providing cloverleaves and direct interchanges, wherever necessary and feasible, may be examined in order to make the junctions signal free. Outer Ring Road (Road no. 50) is being up graded as part of NHDP and it shall be a limited access road. Grade separators with Cloverleaves shall be provided on all 60 m ROW Roads.

A Grade separator shall be planned at the intersection of every 45 m and above ROW Road intersection. A Cloverleaf Grade separator shall be planned at the Intersection of 60 m ROW Road Intersection depending on the availability of land. The existing grade separators in the zone are:

- i) Near I.S.B.T.
- ii) On Railway crossing near FC-2.
- iii) Railway Crossing on Ring Road near Azadpur.
- iv) Railway crossing on Outer Ring Road near Sanjay Transport Nagar.

Looking into the overall development/future development of Delhi and the Northern

part of Delhi it is proposed to have few more grade separators in Zone-C presently in the following locations:

- i) Junction of Outer Ring Road and Wazirabad barrage
- ii) Junction of Mall Road and Road No. 51 (Majnu Ka Tilla).
- iii) Junction of G.T. Road and Outer Ring Road (Mukarba Chowk).
- iv) Junction of Azadpur and G.T. Road
- v) Junction of Rani Jhansi Road and Lala Hardev Sahai Road.
- vi) Junction of Auchandi and G.T.Karnal Road.

### **2.5.5 Mass Rapid Transit System (MRTS)**

The Metro Rail System is the most important component of a Mass Rapid Transport System (MRTS) in the City. The Metro Rail Network for the entire city has been identified in various phases, which comprises of a network of underground, elevated and surface corridors aggregating to approximately 250 Kms.

Phase I of the underground network from Rajeev Chowk upto Vishwavidyalaya in Zone-C is already operational . It covers Shamnath Marg and Mall Road.

Phase-II covers partly underground and elevated network from Vishwavidyalaya (Mall Road) to Jahangirpuri (G.T.Road).

### **2.5.6 Integrated Multi-Modal Transport System**

Integrated Multimodal Transportation proposal may be earmarked / incorporated on the zonal plan with the help of DIMTS, GNCTD.It is envisaged that the future transport system shall consist of a mix of rail and road based systems which may include Metro Rail, Ring Rail, Dedicated Rail Corridors for daily commuters, Bus Rapid Transit System (BRTS), other mass transit modes as technologies become available and Intermediate Passenger Transport (IPT) and private modes on selected corridors to be identified as per the needs from time to time. All roads should be made pedestrian, disabled and bicycle friendly as far as possible.

Vishwavidyalaya , Vidhan Sabha and Civil Lines metro stations are covered in the phase-I of metro corridor. Preparation of detailed multi-modal transport plans with reference to each major Metro Station, with particular reference to bus transport routes, which could provide inter-linkages and feeder arrangements is envisaged.

### **2.5.6.1 BRT Corridor**

A BRT Corridor of approximately 14 Km. has been proposed by DIMTS from Mool- Chand to Jahangirpuri with a Proposed terminal at Jahangirpuri. In Zone-C, It shall start from Salimgarh Fort on Ring Road to Metcalf House (2.25 Km.) and further from Metcalf House on Outer Ring Road to Jahangirpuri, Mukarba –Chowk (11.65 Km.)

### **2.5.7 Bus Depot**

In MPD-2021 it is envisaged to have 2 Bus Depots for a population of 5 lakhs. Accordingly, the required number of bus depot is 3 Nos. for a population of 7,88,000 persons. At present there are 2 Bus Depots operating under Delhi Transport Corporation. Besides this, one Haryana Bus depot is also located in the Sub-Zone C-15.

### **2.5.8 Bus Terminals**

The major Entry point to Delhi by Bus ie ISBT is located in this Zone. It is proposed to integrate ISBT with Delhi main railway station and the land should be made available by the shifting of the IP University to the new Campus. Restructuring of ISBT is proposed as per the changing requirements.

It is envisaged in the MPD-2021 that one Bus Terminal shall be provided for a population of 1 lakh. Hence the required no. of bus terminals is 9 nos. At present 5 nos. of bus terminals sites are existing over this zone. Therefore, there is a shortfall of 4 bus terminals sites. These shall be planned in District Centres (2 No's), Delhi University Campus (1 No.), Dheerpur Phase-II (1 No.), Redevelopment Scheme of sub-zone C-21(1 NO.) New bus terminals (1000 sq. m) need to be planned and developed in strategic locations to make the use of BRTS and Metro Stations convenient for all commuters at local area planning level.

### **2.5.9 Bicycle Tracks/Cycle Rickshaw Tracks**

Segregated Cycle tracks/Rickshaw tracks shall be proposed on feeder roads to Metro Stations only where Park and Ride facilities are available. These shall not be permitted on Arterial Roads .Existing Cycle tracks are on the following Roads:

S.NO	LOCATION	STRETCH
1.	Along Shah Alam Bund	From T-Junction of Adarsh Nagar to Coronation Pillar.
2.	Road No. 51	From Azadpur junction to Outer Ring Road.
3.	Along Najafgarh Drain	From Mall Road to Outer Ring Road.

4. Along Parade Road passing through Dhirpur Phase-I. From T-Junction near F.C-3 to village Gopalpur.

### **2.5.10 Railway Stations**

Presently 4 Railway Stations and one Railway Yard are existing in Zone-C. These are Old Subzi Mandi, Old Azadpur, New Subzi Mandi and Badli.

### **2.5.11 Goods movement by Rail**

Presently the goods are terminating at New Azad pur Railway station.

### **2.5.12 FUEL STATIONS**

#### **A. Petrol Pumps**

23 petrol pumps are already existing in the zone. Additional petrol pumps need to be proposed mainly in new Commercial Centres and other new schemes as per the norms proposed in MPD-2021.

#### **B. CNG Stations**

Already existing authorized CNG service stations for public transport vehicles may continue for this purpose alone and new CNG Stations shall be given in District Centres/ Community Centres, Large PSP Campuses schemes to be prepared as per the norms given in MPD-2021.

CNG sites are to be located while preparing Local Area Plans and Layout Plans as per the norms laid down in the Master Plan 2021 .

### **2.5.13 PARKING**

With the phenomenal increase in personalized motor vehicles, one of the major problems being faced today is an acute shortage of parking space.

Parking has become a matter of serious public concern and requires a carefully considered policy and planned measures to alleviate the problem to the maximum feasible extent in existing areas and for adequate provisioning with reference to future developments. In this background, the following measures are proposed:

#### **A. Park and Ride**

Park & Ride lots are available on MRTS station on Vishwa vidyalaya only. Apart

from providing Park and Ride facilities with reference to integration between the Road and Metro Rail/Rail Transport systems, such facilities shall be provided to reduce the problem of parking on main arterial roads in the context of identified work and activity centers which may not be directly connected by the MRTS and to encourage use of public transport.

#### **B. Public Parking**

The major efforts will have to come through the creation of public facilities in designated commercial/work centers and other areas and corridors where significant commercial activity has developed by way of mixed use. In the context of the latter, it would also need to be linked to pedestrianisation within the identified areas.

#### **C. Parking Facilities in DTC Depots**

At present there are 2 Bus Depots operating under Delhi Transport Corporation. Besides this one Haryana Bus depot is also located in the Sub-Zone of C-15.

The use of DTC terminals and depots for development of public parking along with parking of DTC buses, private buses and chartered buses should be explored and specific projects developed.

#### **D. Underground Parking**

Based on the site feasibility, parking facilities can be created under the open spaces without disturbing the green areas on the surface and surrounding environment. The approvals from the concerned agencies are mandatory before taking up such works.

#### **E. Parking in Residential Areas**

Most of the parking is, in fact, being done on the road, which significantly reduces the carriageway width. The problem has been exacerbated by the traffic congestion generated by schools in gross residential use areas. Some measures required to alleviate the problem, to some extent, will be as under:

- i) All the encroachments on residential streets in the form of kitchen gardens/ roadside private greens, large projections/ramps, etc. need to be removed.
- ii) Road cross sections may be redesigned wherever possible to accommodate planned car parking along the residential streets, and also creating more surface movement space.

- iii) Other options, in selected areas, such as creation of underground parking below parks and open spaces will also have to be considered.
- iv) Resident Welfare Associations will have to be called upon to participate in this process by raising contributions from the residents on the basis of objective criteria such as number of cars owned, etc.
- v) Problem of congestion arising on account of the traffic generated by schools have to be specifically addressed, and the main responsibility for putting up the required additional facilities has to be borne by the schools themselves. Policy guidelines will have to be evolved for this purpose.
- vi) In Pre-1962 Residential and Rehabilitation Colonies given in Annexure-3, creation of underground Parking below Parks and Open spaces shall be detailed out at the time of preparation of Local Area Plans like :
  - \* under the Neighbourhood Park ( Vrindavan Vatika ) in Outram Lines.

#### **F. Multilevel Parking**

As per MPD-2021, Multilevel parking is proposed in Kamla Nagar. Multilevel parking facility shall also be developed in the following parking spaces subject to availability of land and feasibility by the concerned local body:

- i) Nangia Park roundabout
- ii) Near Naini Lake and Model Town-II
- iii) Near Gurudwara Nanak Piao
- iv) Near Tis Hazari Courts & Khanna Market (Community Centre)
- v) Near Kamla Nehru Ridge and Delhi University.
- vi) Jahangirpuri

#### **G. Idle Truck Parking**

Change of Land use of an area measuring 4.0 hac. from Recreational to Metro parking has been notified as per GOI notification no.1273 (E) dated 5.11.2003 for Idle Truck parking near Khyber pass depot in sub zone C-14.

## **2.6 ENVIRONMENT/ AREAS OF SIGNIFICANCE**

### **2.6.1 NORTHERN RIDGE / REGIONAL PARK**

Northern Ridge is a rocky outcrop of Aravali Hills covering an area of 87 hac. As Per notification no.F.10(42)-I /PA /DCF /93 /II dated 24.5.94 issues by GNCTD. It needs to be preserved in its natural State. Metro Stations along with

The other major green areas in the zone are Roshanara Garden, Qudesia Garden built in 18<sup>th</sup> Century, Chhatrasal Stadium, Police grounds, University Grounds, etc. In addition a number of district parks and green areas have been proposed in Dhirpur Scheme. The Bungalow area is other major green area of the zone.

Sports Complexes which were included in the green/recreational use category under the MPD-2001 will be seen under a separate category of sports as per MPD-2021 because Delhi is emerging as an important center for National and International Sports Events.

### **2.6.2 Multipurpose Grounds**

Formal parks are fouled if used for marriage / functions etc. Therefore, a special category is proposed as per MPD-2021 to take care of the same at three levels viz City Multipurpose Ground, District Multipurpose Ground and Community Multipurpose Ground. District Multipurpose Ground shall form part of Dhirpur Phase-II. Already approved parks on 60' and above roads for holding marriages by the Local body/ MCD shall be designated as Multipurpose grounds.

### **2.6.3 POLLUTION CONTROL**

#### **2.6.3.1 Drains**

The drains are major pollutants of River Yamuna. Najafgarh drain is the major drain passing through this zone. All the drains shall be developed as Green Corridors. Development of Greens along the drains is also recommended for Ground water recharge. Treatment Plants at the outfall of drains are proposed for pollution control and facilitating waste water recycling.

#### **2.6.3.2 Water Bodies**

Water bodies ,having a minimum size of surface area of 1 ha., shall be preserved by the concerned authorities. Further efforts shall be made at the local area level to retain the smaller water bodies.(Refer Annexure-12)

## **2.7 AREAS OF URBAN DESIGN**

Zone–C is bounded by River Yamuna (Zone-O) on the North-Eastern side . An Urban design study shall to be taken up for this area so as to integrate the River front with the Urban area.

A part of the Walled City falls in this Zone. The guidelines for urban Design of Walled City Area are given in MPD-2021.

Urban Design Scheme for Coronation Pillar / Memorial also shall to be taken up. Other areas of Urban Design importance are as follows:

- a. Historical Monuments and Gardens .(Roshanara Bagh, Qudsia Bagh, etc.)
- b. Areas along entry routes and other important routes in Delhi. (NH-1)
- c. Road and Rail, MRTS corridors, entries, and terminals.(ISBT etc. )

With the development and introduction of MRTS in Zone- C on Shamnath Marg and Mall Road, need is felt to connect these scattered districts with more imageable components. These components with enhanced built up areas and activities, form a network by which the experience of various District and commercial centres shall become a part of continued urban experience

The Vidhan Sabha of Delhi state(Old Secretariat) marks the northern end of Shamnath Marg. Many public institutions flank its length. At the Southern end of Shamnath Marg is Kashmiri Gate and City wall of Shahjahanabad, which has now been eclipsed by the Kashmiri Gate Metro Station- the new 'gateway' to the modern city of Delhi. An Urban design study shall be done for Shamnah Marg .

As per MPD-2021, restrictions on tall buildings shall be necessary in important areas like Civil lines Bungalow Zone and North Delhi campus. An urban design study shall be done for Civil lines bungalow zone to conserve its basic character.

The Urban Design study shall be done for Delhi University Campus .It is suggested to develop it as an Integrated campus.

## **2.8 CONSERVATION OF BUILT HERITAGE**

### **2.8.1 Special Conservation Plans**

Each local body/ land owning agency should formulate "Special Development Plans" for the conservation and improvement of listed heritage complexes and their appurtenant areas. Alteration or demolition of any listed heritage building is prohibited without the prior approval of the Competent Authority.

The development plans/schemes for such areas shall conform to the provisions, in respect of Conservation of Heritage Sites including Heritage Buildings, Heritage Precincts and Natural Feature Areas.

The listed heritage buildings in Zone-C as per the surveys conducted by DDA,INTACH ASI and GNCTD are enclosed. (Refer Annexure- 9,10,11)

## **2.9 PHYSICAL INFRASTRUCTURE**

As given under the requirement of Water, Sewerage, Power and Solid Waste Disposal for this Zone have been worked out in consultation with the concerned department and the Engineering Wing of DDA.

### **2.9.1 Water Supply**

In the zone there are two existing water treatment plants viz. Chandrawal I & II, having an existing capacity of 90 mgd in 1981.As per MPD-2021 , it is proposed to augment the capacity of these water treatment plants to 100 mgd by 2021.

### **2.9.2 Sewerage**

A sewage treatment plant covering an area of around 82 acres is existing in Sub-Zone C-19 (Model Town) near Coronation Pillar with a capacity of 40 mgd. As per MPD-2021, it is proposed to augment the capacity of this STP to 50 mgd by the year 2021. Similarly, an oxidation pond covering an area of around 30 acres is existing in sub-zone C- 14 (Timarpur).

### **2.9.3 Power**

Keeping in view, the norms of Master Plan-2021, the total power requirement for the entire zone shall be worked out. Existing 66 KV and above sub-stations and high tension line passing through the zone are illustrated in detail. A 220 KV Sub-Station is a part of Dhirpur Scheme.

### **2.9.4 Solid Waste**

A large sanitary land fill site in Timarpur along the Outer Ring Road( Road No. 50.) has been filled up. This zone is saturated in terms of land and it is difficult to provide additional land for physical infrastructure at Zonal Development Plan level. Thus optimum utilization of existing lands shall be done and any additional request if any shall be seen by DJB / GNCTD who own land pockets in this zone.

## **2.10 LAND USE PLAN**

The proposed land use analysis at the Zonal Plan level is given with reference to various Use Zones .The facilities proposed in the Landuse Plan shall be detailed out in the Zonal plan.

## 2.10.1 CHANGE OF LAND USE

### 2.10.1.1 CHANGE OF LANDUSE UNDER PROCESS AS PER SEC.11-A

S.NO	LOCATION	AREA (Hac. App.)	CLU		STATUS
			From	To	
1.	Left over part of Samaipur Badli	42.5	Residential	Industrial	*As per minutes of the Authority held on 30.10.07 vide item no. 82/2007
2.	Graveyard at Mukarba Chowk near Jahangirpuri.	1.0	Utility (E.S.S)	Public & Semi-Public Facility (PS-1)	*Approved by T.C. Meeting held on 1.10.07 vide item No. 88/2007

### 2.10.1.2 CHANGE OF LAND USE INCORPORATED IN DRAFT ZDP

The following CLU cases have been incorporated in the Zonal Plan and have already been notified or under the process of notification as per Section 11-A of DD Act.1957:

S.NO	LOCATION	AREA (Hac. APP.)	CLU		STATUS
			FROM	TO	
1.	Tis Hazari	1.46	Residential	Commercial	Notified as per GOI notification no.1273(E) dated 5.11.2003.
2.	Khyber Pass Depot (a)	2.80	Distt. Park	Commercial	Notified as per GOI notification no.1273(E) dated 5.11.2003.
3.	Khyber Pass Depot (b)	10.0	Distt. Park	Residential	Notified as per GOI notification no.1273(E) dated 5.11.2003.
4.	Khyber Pass Depot ©	4.0	Recreational	Metro Parking	Notified as per GOI notification no.1273(E) dated 5.11.2003.
5	Vishwavidyalaya	3.05	PSP	Residential	Notified as per GOI notification no.1017 dated 23.09.05
6	5, Rajpur road (Police lines)	7.99	Residential	PSP Use	Notified as per GOI notification no.281 dated 10.1.2007
7.	12, Rajpur Road	1.78	Residential	PSP Use	Notified as per GOI notification no.955 dated 2.08.2007

## 2.10.2 LAND USE ANALYSIS

Taking into consideration the Change of Land use cases and Zonal Development Plan proposals / Modifications , Land use analysis is given below:

S.no.	Land Use	Area (hac.)	Proposed %age as per ZDP-C, MPD-2001	Change of Landuse		Area (hac.)	Proposed %age
				Area Added +(hac.)	Area Subtract. --(hac.)		
1	Residential	1625.3	41.8	13.05	11.23	<b>1627.12</b>	<b>41.85</b>
2.	Commercial	255.7	6.64	4.26	-	<b>262.34</b>	<b>6.74</b>
3.	Industry	162.1	4.2	-	-	<b>162.1</b>	<b>4.2</b>
4.	Recreational	645.7	16.5		16.8	<b>628.9</b>	<b>16.17</b>
5.	Transportation	410.4	10.66	4.0		<b>414.4</b>	<b>10.65</b>
6	Utility	94.7	2.46	-	-	<b>94.7</b>	<b>2.46</b>
7.	Government	92.1	2.4	-	-	<b>92.1</b>	<b>2.4</b>
8.	PSP Facilities	601.8	15.6	9.77	3.05	<b>608.51</b>	<b>15.65</b>
	Total	<b>3888*</b>	100%			<b>3888</b>	<b>100%</b>

\* Excluding Walled City area of Zone-C

## 2.10.3 CLU (NOT INCORPORATED IN LANDUSE PLAN, MPD-2021)

The following CLU cases have not been incorporated in the Land use Plan (MPD-2021) but have already been notified under Section 11A of DD Act.1957:

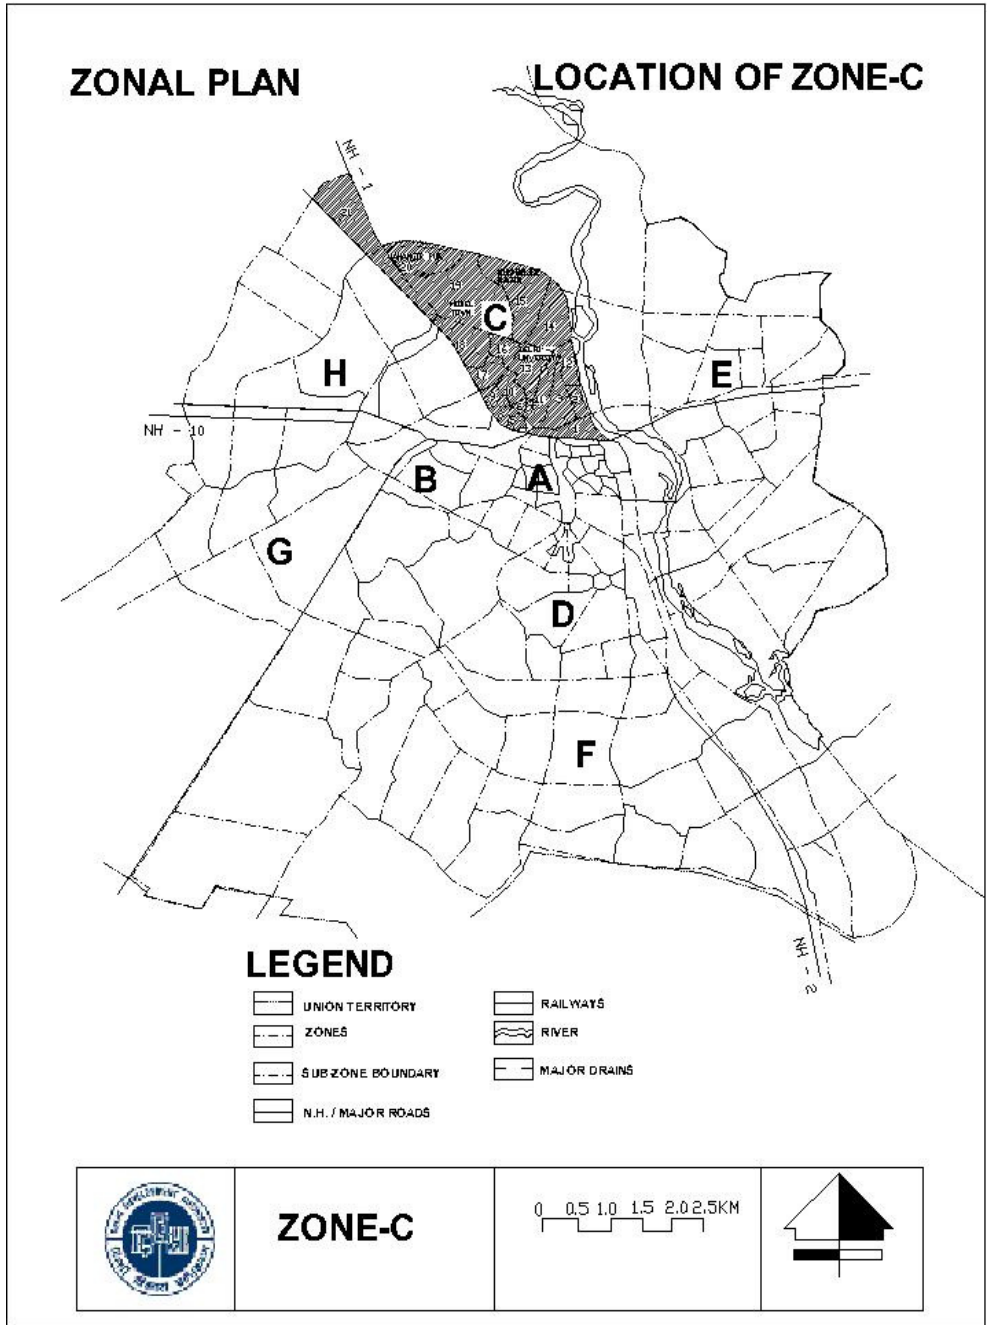

S.NO	LOCATION	AREA (Hac.)	CLU		STATUS
1.	Tis Hazari	1.46	Residential	Commercial	Notified as per GOI notification no.1273(E) dated 5.11.2003.
2.	Khyber Depot Pass	2.80	Distt. Park	Commercial	Notified as per GOI notification no.1273(E) dated 5.11.2003.
3.	Khyber Depot Pass	10.0	Distt. Park	Residential	Notified as per GOI notification no.1273(E) dated 5.11.2003.
4.	Khyber Depot Pass	4.0	Recreational	Metro Parking	Notified as per GOI notification no.1273(E) dated 5.11.2003.

#### **2.10.4 OTHER CHANGES INCORPORATED IN THE PLAN**

The other changes incorporated in the plan are:

- i) District Centre at Dheerpur Phase-II suitably modified as per site conditions and approved Layout plan of Jahangirpuri prepared by MCD.
- ii) Facility Centres at Dheerpur Phase-II suitably modified as per site conditions and approved Layout plan of Jahangirpuri prepared by MCD.
- iii) MRTS Corridor and Influence Zone incorporated in the plan.
- iv) LSC at Kalyan Vihar deleted in view of DDA Layout plan approved by the Screening Committee. (prior to approved ZDP in 1998)
- V) Green strip along G.T.Karnal Road, Libas pur is modified to Industrial Use.
