

The waiting list will be valid only for 9 months from the date of issue of demand letters to successful applicants. The registration money of the wait listed registrants shall be refunded along with unsuccessful registrants. However, before going for the draw in case the same takes place for filling up the vacancies, all such eligible waitlisted shall be asked to deposit the registration money. 15 days time shall be given to them to do so and only those names shall be included who would be depositing their registration money prior to the draw. A draw will be held only once after six months, from date of issue of demand letters, for allotment of the surrendered flats to the wait listed registrants as per the priority decided initially. Only those flats which are surrendered within six months from date of issue of demand letters would be included for allotment to waitlisted registrants. The waiting list is created just to ensure that the surrendered flats (if any) are allotted to same registrants rather than keeping them vacant and the list will be valid only for 9 months, hence it doesn't create any right of the wait listed registrants if they fail to get a flat from the surrendered ones. If successful, the cost would be the cost of the flat on the date the demand cum-allotment letter is issued.
